1. Confidentiality Policy Purpose / Ujeeddada Siyaasadda Sirta

SiraaJe's business information, employee/customer information, formulas and system access must be protected from unauthorized disclosure, alteration and misuse.

Macluumaadka ganacsiga SiraaJe, xogta shaqaalaha/macaamiisha, formulas-ka iyo gelitaanka nidaamka waa in laga ilaaliyaa faafin, beddelid iyo isticmaal aan la oggolayn.

Who must comply / Cidda ay khusayso

All employees, contractors, temporary staff and any person given access to SiraaJe records, systems or non-public operations.

Dhammaan shaqaalaha, qandaraaslayaasha, shaqaalaha ku-meelgaarka ah iyo qof kasta oo loo oggolaaday diiwaannada, nidaamyada ama hawlaha aan dadweynaha loo furin ee SiraaJe.

Need-to-know principle / Mabda'a baahida xogta

Access information only when it is required for your assigned work. Permission to see information does not mean permission to copy, share or publish it.

Xogta geli keliya marka ay shaqada lagu xilsaaray u baahan tahay. Oggolaanshaha inaad aragto xog macnaheedu ma aha inaad nuqul ka samayn karto, wadaagi karto ama daabici karto.

Continuing duty / Waajibaad sii socda

Confidentiality continues after an employee changes role or leaves the company.

Waajibaadka sir-ilaalintu wuu sii socdaa xitaa marka shaqaaluhu beddelo shaqada ama ka tago shirkadda.

Employee checklist / Liiska hubinta shaqaalaha

- I use company information only for authorized work.
 - Xogta shirkadda waxaan u isticmaalaa oo keliya shaqo la ii oggolaaday.
- I ask before sharing non-public information.
 - Waxaan oggolaansho weydiistaa ka hor inta aan wadaagin xog aan dadweyne ahayn.
- I protect confidentiality after employment ends.
 - Sirta waan ilaaliyaa xitaa marka shaqadu dhammaato.

2. What Siraaje Treats as Confidential / Waxyaabaha Siraaje u Aqoonsato Sir

Confidential information includes operational, commercial and personal information that is not intended for public distribution.

Macluumaadka sirta ahi wuxuu ka kooban yahay xog hawlgal, ganacsi iyo mid shaqsiyeed oo aan loogu talagelin in dadweynaha lala wadaago.

Business information / Xogta ganacsiga

Feed formulas, inclusion rates, production methods, supplier prices, purchase terms, margins, internal costs, sales information, stock levels, expansion plans and internal reports.

Formulas-ka quudinta, heerarka lagu daro maaddooyinka, hababka wax-soo-saarka, qiimaha alaab-qeybiyayaasha, shuruudaha iibsiga, faa'iidooyinka, kharashaadka gudaha, xogta iibka, heerarka kaydka, qorshayaasha ballaarinta iyo warbixinnada gudaha.

People and partners / Dadka iyo la-hawlgalayaasha

Employee records, customer contact details, supplier contacts, payment information, complaints and private communications.

Diiwaannada shaqaalaha, xiriirka macaamiisha, xiriirka alaab-qeybiyayaasha, xogta lacag-bixinta, cabashooyinka iyo isgaarsiinta gaarka ah.

Quality and security / Tayada iyo amniga

Test results, incident investigations, recall information before authorized release, passwords, access methods, internal vulnerabilities and security procedures.

Natijoooyinka tijaabada, baaritaannada dhacdooyinka, xogta recall-ka ka hor faafin la oggolaaday, passwords, hababka gelitaanka, nuglaanshaha gudaha iyo habraacyada amniga.

Employee checklist / Liiska hubinta shaqaalaha

- I can identify confidential information.
 - Waan garan karaa xogta sirta ah.
- I do not photograph or forward confidential screens/documents without authorization.
 - Ma sawiro mana gudbiyo screens/dukumenti sir ah anigoon fasax haysan.
- I keep printed confidential material controlled.
 - Dukumentiyada sirta ah ee daabacan si ammaan ah ayaan u xakameeyaa.

3. Website Accounts, Passwords and Access / Akoonnada Website-ka, Passwords-ka iyo Gelitaanka

Every employee must use only the account and permissions assigned to them on siraajepoultryfeed.com and related company systems.

Shaqaale kasta waa inuu isticmaalaa oo keliya akoonka iyo oggolaanshaha isaga loo qoondeeyey ee siraajepoultryfeed.com iyo nidaamyada kale ee shirkadda.

Account ownership / Lahaanshaha akoonka

Never share passwords or allow another person to work under your login. Never record a transaction under another employee's identity.

Marna password-ka ha wadaagin, qof kalena ha u oggolaan inuu ku shaqeeyo login-kaaga. Macaamil marna ha ku diiwaangelin aqoonsiga shaqaale kale.

Password protection / Ilaalinta password-ka

Use a strong unique password, keep it private, lock/sign out of unattended devices and report suspected compromise immediately.

Isticmaal password adag oo gaar ah, sir ka dhig, qalabka aan la ilaalin lock/sign out ka samee, shakiga jebinta akoonkana isla markiiba soo sheeg.

Permissions / Oggolaanshaha

Do not attempt to bypass role restrictions, inspect data outside your work responsibility or use another person's account to gain access.

Ha isku dayin inaad ka gudubto xaddidaadaha role-ka, ha eegin xog ka baxsan mas'uuliyaddaada, hana isticmaalin akoon qof kale si aad u hesho gelitaan.

Employee checklist / Liiska hubinta shaqaalaha

- I use only my own account.
 - Waxaan isticmaalaa oo keliya akoonkayga.
- I lock unattended devices.
 - Qalab aan la ilaalin waan lock-gareeyaa.
- I report suspected unauthorized access immediately.
 - Gelitaan aan la oggolaayn oo aan ka shakiyo isla markiiba waan soo sheegaa.

4. Records, Documents and Data Handling / Maaraynta Diiwaannada, Dukumentiyada iyo Xogta

Company records must remain accurate, traceable and protected from unauthorized editing, deletion or disclosure.

Diiwaannada shirkaddu waa inay ahaadaan sax, la raadin karo oo laga ilaaliyo wax-ka-beddel, tirtirid ama faafin aan la oggolayn.

Accurate records / Diiwaanno sax ah

Do not falsify quantities, dates, prices, batch data, expenses, customers, suppliers, tests or approvals. Corrections must preserve the authorized audit trail.

Ha been-abuurin tiro, taariikh, qiime, xog batch, kharash, macaamiil, alaab-qeybiye, tijaabo ama ansixin. Sixitaanku waa inuu ilaaliyaa raad-raaca audit-ka ee la oggolaaday.

Copies and storage / Nuqullada iyo kaydinta

Do not move company files to personal email, personal cloud storage, USB devices or messaging apps unless management explicitly authorizes the method.

Faylasha shirkadda ha u wareejin email shaqsiyeed, cloud shaqsiyeed, USB ama apps fariimo ah haddii aanu maamulka si cad u oggolaan habkaas.

Disposal / Tuurista

Destroy confidential paper and electronic records using the company's approved method when disposal is authorized. Do not discard sensitive documents openly.

Marka la oggolaado tuurista, dukumentiyada sirta ah ee warqad iyo elektaroonig ah ku burburi habka shirkaddu ansixisay. Dukumenti xasaasi ah si furan ha u tuurin.

Employee checklist / Liiska hubinta shaqaalaha

- I do not create false records.
 - Ma sameeyo diiwaan been ah.
- I keep business files in approved locations.
 - Faylasha ganacsiga waxaan ku hayaa meelaha la ansixiyey.
- I do not delete records to hide errors.
 - Diiwaanno uma tirtiro si aan qalad u qariyo.

5. Photography, Social Media and External Communication / Sawir-qaadista, Baraha Bulshada iyo Isgaarsiinta Dibadda

Images from a feed mill can reveal formulas, supplier labels, customer records, equipment settings, security arrangements and private employee information.

Sawirrada warshadda quudintu waxay muujin karaan formulas, calaamadaha alaab-qeybiyeyaasha, diiwaannada macaamiisha, dejinta qalabka, nidaamka amniga iyo xogta gaarka ah ee shaqaalaha.

Photos/video / Sawirro/fiidiyow

Do not photograph or record non-public production, documents, screens, labels, customer information or restricted areas without authorization.

Ha sawirin hana duubin wax-soo-saar aan dadweyne ahayn, dukumenti, screens, labels, xog macaamiil ama meel xaddidan adigoo fasax haysan.

Social media / Baraha bulshada

Do not publish internal company information, incidents, complaints, formulas, prices, screenshots or employee/customer information.

Ha daabicin xogta gudaha shirkadda, dhacdooyin, cabashooyin, formulas, qiimayaal, screenshots ama xog shaqaale/macaamiil.

External questions / Su'aalaha dibadda

Media, regulators, customers or third parties requesting sensitive information should be directed to the authorized company representative, while employees must cooperate lawfully with competent authorities through company procedure.

Warbaahinta, hay'adaha kormeerka, macaamiisha ama dhinac saddexaad ee dalbanaya xog xasaasi ah waa in loo gudbiyaa wakiilka shirkadda ee loo oggolaaday; shaqaaluhuna waa inay si sharci ah ula shaqeeyaan hay'adaha awoodda leh iyadoo la raacayo habraaca shirkadda.

Employee checklist / Liiska hubinta shaqaalaha

- I do not post internal information online.
 - Xogta gudaha internet-ka kuma daabaco.
- I refer sensitive external requests to authorized management.
 - Codsiyada xasaasiga ah ee dibadda waxaan u gudbiyaa maamulka loo oggolaaday.
- I do not send screenshots casually.
 - Screenshots si aan taxaddar lahayn uma diro.

6. Confidentiality Breach Response / Jawaabta Jebinta Sirta

Fast reporting can limit harm when information is sent to the wrong person, a password is exposed, a device is lost or unauthorized access is suspected.

Soo-sheegid degdeg ahi waxay yareyn kartaa waxyeellada marka xog loo diro qof khaldan, password bannaanka u baxo, qalab lumo ama laga shakiyo gelitaan aan la oggolayn.

Report immediately / Isla markiiba soo sheeg

Tell the supervisor/authorized system administrator what happened, what information was involved, who may have received it and when.

U sheeg kormeeraha/maamulaha nidaamka ee loo oggolaaday waxa dhacay, xogta ku lug lahayd, cidda laga yaabo inay heshay iyo goorta.

Preserve evidence / Ilaali caddeynta

Do not hide the incident, delete audit information or create false explanations. Follow instructions for password change, access suspension, recovery or notification.

Ha qarin dhacdada, ha tirtirin xogta audit-ka, hana samayn sharaxaad been ah. Raac tilmaamaha beddelka password-ka, hakinta gelitaanka, soo-celinta ama ogeysiinta.

Corrective action / Tallaabada sixitaanka

Management assesses impact, secures accounts/records, documents the event and applies appropriate corrective action.

Maamulku wuxuu qiimeeyaa saameynta, sugayaa akoonnada/diiwaannada, diiwaangeliyaa dhacdada oo qaadaa tallaabada sixitaanka ku habboon.

Employee checklist / Liiska hubinta shaqaalaha

- I report accidental disclosure promptly.
 - Faafin xog oo shil ah si degdeg ah ayaan u soo sheegaa.
- I do not conceal a data/security mistake.
 - Ma qariyo qalad xog/amni.
- I follow recovery instructions.
 - Waxaan raacaa tilmaamaha soo-celinta.

7. Employee Confidentiality Acknowledgement / Qirashada Sir-ilaalinta ee Shaqaalaha

This page records the employee's acknowledgement of Siraaaje confidentiality and system-use responsibilities.

Boggan wuxuu diiwaangeliyaa qirashada shaqaalaha ee mas'uuliyadaha sir-ilaalinta Siraaaje iyo isticmaalka nidaamka.

Employee declaration / Qirashada shaqaalaha

I will protect Siraaaje's non-public business information, formulas, customer/supplier information, employee information, records, passwords and system access. I will not copy, disclose, alter or use them outside authorized work.

Waxaan ilaalin doonaa xogta ganacsi ee aan dadweynaha ahayn ee Siraaaje, formulas, xogta macaamiisha/alaab-qeybiyayaasha, xogta shaqaalaha, diiwaannada, passwords-ka iyo gelitaanka nidaamka. Nuqul kama samayn doono, ma faafin doono, ma beddeli doono, mana isticmaali doono meel ka baxsan shaqada la ii oggolaaday.

Return of information / Soo celinta xogta

When requested or when employment ends, I will return company documents, devices, keys and authorized copies and will not retain confidential information.

Marka la iga codsado ama shaqadu dhammaato, waxaan soo celin doonaa dokumentiyada shirkadda, qalabka, furayaasha iyo nuqullada la oggolaaday, mana haysan doono xog sir ah.
